

Ready Set Go Class

We offer RSG class for children due to commence school Wednesday afternoons. This class runs for ten sessions from 1.30 to 2.45pm. Please come to the school office at approx. 1.15pm to sign in.

During these sessions, children become familiar with the school environment, classroom routines and etiquette, as well as meet other children who may be in the same classroom as them.

While children are involved with the teacher, our Principal, Mrs Woon will discuss with parents various aspects as set out below which are held over the first 5 weeks. This is an opportunity for parents to be fully informed of the school's expectations, current education philosophies and to ask questions. Parents or an adult are legally required to accompany their child to these sessions
